

Dear trusted partner,

Following our annual review, all in-force AMI® and Health Plus® policies including the below benefits will be subject to a rate adjustment. This year's adjustments are mainly driven by the ongoing rise of health care costs.

Please see below for details, including effective dates:

AMI: 5% rate increase effective January 1, 2026

- All benefits

Health Plus: 5% rate increase effective February 1, 2026

- Accident/Sickness Benefit (with or without drugs)
- Hospitalization
- Drugs
- Travel
- Daily Compensation
- Dental Care
- Regular and Extended Home Health Care

Please note, that your client's premium may also be affected by other factors, such as a change in age band.

Exclusive Services and Discounts

Your client's health plans continue to include the following exclusive services:

- Virtual health care service, to consult a health care professional 24/7, in the comfort of home.
- Assistance Program, to obtain various home health and support services as well as access to legal information services.
- Blue Advantage®, to save on many health products and services.

To review your client's coverage and ensure it meets their needs, or if you have any other questions, please contact [Partner and Compensation Support /1-800-361-2538](tel:1-800-361-2538)

Thank you for your continued support.
