

Dear valued partner,

In response to the challenges associated with the second wave of COVID-19, we have extended certain relief measures to help better support your clients.

FORMS REPLACING THE TELEPHONE INTERVIEW

We will continue accepting the *Health statement* accompanied by the *Additional health declaration due to COVID-19* in lieu of the telephone interview **until December 31, 2020**.

These forms can be found in the [Documents](#) section under the [Advisor resources](#) link.

IMPORTANT

If you use the electronic application, the *Health statement* and the *Additional declaration due to COVID-19* can be used to replace the telephone interview **until December 31, 2020**.

To do so, please:

- Complete “Section 8: Telephone Interview,” by indicating a phone number and time slot as this section cannot be left blank.
- In the “Section reserved for representatives,” indicate that the *Health statement* and the *Additional declaration due to COVID-19* are attached to the electronic application.

Your client will not be asked to conduct a telephone interview and the information will not be considered if these forms – duly completed and signed – are submitted with the electronic application.
